## DANETT C. BEAN IS A DOCTOR OF ACUPUNCTURE AND ASIAN MEDICINE

(DAAM) and is a highly acclaimed women's health specialist, bestselling author, and speaker. For more than 15 years, her professional healing practice has offered a variety of services that address the unique needs of women so that they may have improved health outcomes in their current and next stages of life. Her focus includes menstrual cycle issues for teenagers and adults, fertility readiness, labor preparation, postnatal care, menopausal and postmenopausal assistance, and healthy aging.

In April 2017, Dr. Danett published her first book, *A Taste of Our Own Medicine: 3 Vital Keys to Ending Postnatal Depletion, Nurturing Mothers and Improving Our Communities*. It became an online bestseller in five categories on Amazon.com. A year prior, Dr. Danett authored the Fibroid Prevention Guide, a book designed to empower women with practical hands on information on how to help reduce and prevent fibroids. True to her natural inclination to inform and educate women about their own bodies, Dr. Danett launched her popular blog, Yoni Box in 2015. The multi-media blog provides natural, safe, and effective health resources for women via articles, inspirational and informative videos, and best practices advice.

In the public realm, Dr. Danett has been a guest on several broadcast programs. Namely, she has appeared on Dr. Gerald Deas' local cable television program and with the esteemed Dr. Kamau Kokayi on Profiles in Global Healing and on Kokayi's Global Medicine Review (on WBAI Radio).
